RE: FEMA HMGP Flood Mitigation

Dear Resident,

During the recent public meeting held January 25th 2018, many attendees voiced an interest in having a more individual type meeting to ask specific questions regarding their property and how the grant process for flood mitigation would relate to them. In an effort to fulfill this request, The City will allot a block of time from 4:00 PM – 8:00 PM on Wednesday, February 21st where you can meet with our team. We will try to have representatives from FEMA and the County Property Appraiser there as well.

If you would like to schedule a meeting we ask that you call or email to schedule your appointment during this time block. Meeting will be held at the same location as the previous meetings:

Coronado Civic Center- 150 S. Pine St,

Please bring a copy of your property survey and elevation certificate if available.

To schedule- Email: jmeyers@cityofnsb.com or
Call: 386-410-2812

Sincerely,

Jesse Meyers
Civil Engineer
