**Non-Profit Business Large-Scale Property Improvement Grant Program Overview**

**Total Budget Allocation: \$50,000- Awards up to \$50,000/Applicant**  
**(as funds are available)**

**PROGRAM DESCRIPTION:**

The Non-Profit Business Large-Scale Property Improvement Grant Program awards funds for EXTERIOR ONLY improvements to non-profit commercial facades and properties that are located within the Historic Westside neighborhood of the CRA district.

These improvements can include, but are not limited to: facade painting, parking lot resurfacing, signage, landscaping, etc. Maximum CRA grant awards cannot exceed \$50,000 per applicant. The Non-Profit Business Large Scale Property Improvement Grant was created to encourage and incentivize the redevelopment of non-profit commercial facades and properties within the Historic Westside neighborhood. The program allows the CRA to fund grant recipients or grantees on a reimbursement basis for 50% of the cost to enhance non-profit business commercial facades and property improvements up to \$50,000.

**For example: In order for a CRA Grant Recipient to receive \$50,000, the applicant must spend \$100,000. Once the required documentation has been submitted for approval and the project obtains regulatory approval, the \$50,000 is reimbursed to the recipient.**

To be considered, non-profit business and property owners within the CRA’s Historic Westside neighborhood must submit a completed application accompanied by at least (3) estimates from licensed general contractors. Other estimates may be acceptable depending upon the type of improvement proposed; please contact the CRA department regarding your specific proposal to determine if quotes from other licensed businesses or companies would be accepted prior to obtaining the estimates.

**PROGRAM RULES:**

The following rules are intended to inform a potential grant applicant of the extent and scope of the program. The purpose of the program is to encourage non-profit business and property owners to upgrade their commercial facades and/or properties by improving the external appearance of their business and to encourage other non-profit businesses to invest in the growth of their business in the Historic Westside neighborhood. 1. The program is available only for non-profit businesses and properties located within the Historic Westside Neighborhood of the CRA District. **Click the link below to see if your address is in the CRA Grants' Targeted Area:**
